Why?

Smart

RECESSION

Buster

The key factors that
make keeping your
current car a **top move!**

**SAVE - YOUR HARD EARNED
CASH FOR SOMETHING ELSE!**

No deposits, settlement
fees, refinancing costs
and higher repayments

**FAMILIARITY - FAR BETTER
THE DEVIL YOU KNOW**

No risks of buying a
lemon when you stick
with your current car

**OPPORTUNITY - TO IMPROVE
YOUR CURRENT CAR**

For considerably less than
replacing, you can enjoy
customising your vehicle

**ENVIRONMENTAL - THE
GREEN OPTION IN MOTORING**

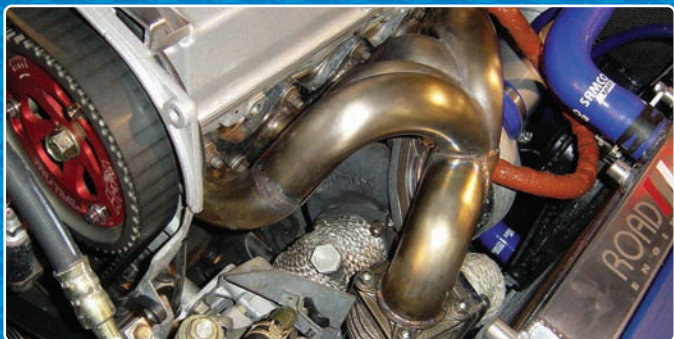

Modern cars are built to
last, so go green and get
the most out of your car

**GIVE YOURSELF A BREAK-
DON'T INCUR NEW DEBT**

If you're thinking of a
new car chances are the
finance is paid off, ENJOY

**SO KEEP YOUR CURRENT CAR and reap
the rewards - PLUS : TurboPACS will make
sure it continues to serve you well!**
